MEMORANDUM FOR: Chief of Administration
Office of the Deputy Director (Plans)

SUBJECT: Modification of Project Administrative Plans

REFERENCE: Memo dtd 16 Mar 53 for DD/P fr AC/PAPS, sub:
"Modification of Project Outline and Amend-
ment #1 to Administrative Plan for PE Pro-
prietary Project [REDACTED]"

25X1A2d1

1. This Office has concurred in the recommendation that the Administrative Plan for PE Proprietary Project [REDACTED] be amended to conform to the methods actually used to accomplish the Project objective. At the same time, I am concerned that there was not set forth either the unforeseen or emergency conditions which warrant the retroactive approval of the deviations of the Administrative Plan heretofore approved. I will appreciate a review of the circumstances which necessitated the adjustment of the Plan and the decision to act without prior referral to this Office.

2. It is requested that future recommendations for amending Administrative Plans be accompanied by supporting explanations of this kind.
